You may well be planning on entering many categories and, if so that's great. But if your agency or department has undertaken great work you won't want budget considerations to get in the way of it being recognised. Your work makes a difference and it will continue to do so despite the challenges we are all facing.

HOW TO ENTER

WRITING YOUR ENTRY

There are no boundaries on the design, branding or format of the entry. The submission can be formatted portrait or landscape. Feel free to include the Communicate Lens Awards branding. Judges often prefer entries that don't have too much text on one page as it makes them easier to read.

The most successful entries have a clear narrative. They include details of why the work was carried out, how the strategy was developed and implemented, and how the results fit the initial objectives.

To enter the Communicate Lens Awards, please prepare a single PDF document including your:

1. Entry summary (300 words)
2. Entry statement (700 words)
3. Supporting materials (Written supporting materials do not contribute towards the word count)

Please ensure your file is no larger than 10MB.

Contact Robert at robert.mitchell@communicatemagazine.co.uk or call +44 (0) 2039505356 for further information or help with your entry.
